CLEANING

House is one of the duties that a weak woman looks forward to with dread. As a rule, she knows that she must pay for the over-strain with days or weeks of womanly suffering.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It cures the womanly diseases which undermine the general health. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

"I took two bottles of your 'Favorite Prescription' and am feeling well," writes Mrs. Dan McKenna, of Lowell, Mass., Cape Breton Co., Nova Scotia. "I had uterine trouble, also pain in the side and back. After taking your medicine I was cured. You may publish this or use it in any way you think best, as I cannot speak too highly of Dr. Pierce and his medicine."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 11 stamps for the cloth-bound volume. Address Dr. R.V. Pierce, Buffalo, N. Y.

MYSTERIOUS SHOOTING.

Leopold Wertheimer, a wealthy dry goods merchant, of New York, was shot three times at his home in west One Hundred and Fifteenth street early yesterday.

He was wounded in the chest, arm and right side, and is in a serious condition. Charged with the shooting, the police have arrested Joseph Simpson, thirty years old. The injured man is thirty-two years old, and a member of the firm of Aaron & Wertheimer, dry goods merchants, who recently were burned out at their place of business, in Third avenue. Simpson, the police say, was employed there as a watchman prior to the fire. At the time of the fire two persons were burned to death. The motive for the shooting is a mystery both to the police and the Wertheimer family, and Simpson, who was very cool when arrested, refused to make any statement. Since the fire Wertheimer has not been engaged in any business. The firm discharged its employees, including Simpson, but he got work as a motorman. A week ago he lost that position. He had a long talk with Mr. Wertheimer Monday afternoon, and returned that night. He again talked with Mr. Wertheimer, and the family think Simpson wanted money. The latter returned to the Wertheimer home at an early hour yesterday and the shooting occurred in the hallway, after which Simpson walked away, and later was arrested. All Simpson would say was that Wertheimer owed him money for something he had done, and had refused to pay him. Wertheimer denied this, but said Simpson had demanded money from him as a brother Mason.

WHITECAPING IN INDIANA.

A double whitecapping occurred early Monday morning in Johnson Township, sixteen miles from Nashville, Ind. The victims were James Moffett and Elsworth Hashman, living one mile apart. Shortly after midnight a mob of forty masked men broke into Moffett's home, dragged him from his bed, tied him to a tree in the yard, and gave him forty lashes on the bare back with hickory switches. He was carried back into the house, and in the presence of his wife was told that unless he ceased his visits to a certain house of unsavory reputation in the neighborhood and stopped beating his wife, the punishment would be repeated. Moffett promised. The mob quietly went to the Hashman house, where the programme was repeated.

Prosecutor Miller and Mayor Dunn held a court of inquiry at Bloomington, Ind., yesterday and examined the victims of the recent whipping. The names of eight persons, supposed to have aided in the outrage, have been secured, and arrests will follow today.

EXTENSIVE FIRE.

The plant of the International Salt Company, located at South Chicago, with three boats lying in the Calumet river, were destroyed by fire last night. The loss is estimated at \$1,250,000, that of the International Salt Company being placed at \$800,000. The building of the salt company covered nearly sixteen acres, extending along the Calumet river. In these buildings were stored 400,000 tons of salt, and the greater part of this is said to have been ruined by fire and water. Included in the company's loss are the docks extending 1,500 feet along the Calumet river. The fire threatened to spread to a number of grain elevators along the river and to other large manufacturing plants, but after a hard fight, the flames were got under control. About 125 freight cars were consumed. Fifty of the burned cars are said to have belonged to the Michigan Central Railroad Company.

SENSIBLE OBSERVATIONS.

In a pastoral letter the Most Rev. Paul Bruchesi, Roman Catholic Archbishop of Montreal, condemns labor leaders and organizers, and advises the laboring classes to pay no heed to strike agitators, but to look for arbitration on just and reasonable demands. In part, the Archbishop says: "Responsibility is not incurred by those leaders and writers who profit by the slightest conflict between labor and capital to foment discord and rebellion and to inspire hatred toward employers. They are the most dangerous foes of the people whose interests they pretend to serve. Let not our laboring classes heed their suggestions. They have absolutely nothing to gain. Deceived by these false friends and urged on by them to commit the most lamentable acts they will, on the contrary, forfeit public sympathy."

CAUGHT ON AN OLD JOKE.

Court Clerk Bopart, of Bayonne, N. J., is house-hunting desperately. He has a wife, seven children and a dog, and no owner or agent will rent him a dwelling. Yesterday a woman with nine children secured a house by a ruse. She had tried for a week, but the agents all refused when she told how many children she had. She had a friend take her children to a cemetery, and then called

MISS IDA M. SNYDER,

Treasurer of the Brooklyn East End Art Club.

Menstrual irregularities are generally the beginning of a woman's troubles. With the vitality at a low ebb, the blood weakened, the digestion disordered, she goes about pale-faced, hollow-eyed and haggard, a pitiable contrast to the blooming health of her former self. But over 1,000,000 women have found health again by taking Wine of Cardui.

As a regulator of the menstrual periods Wine of Cardui has never been known to fail. It has seldom failed to restore perfect health, even in the most persistent and aggravated cases of weakness.

Miss Ida M. Snyder, of No. 335 Bergen Street, Brooklyn, N. Y., has used Wine of Cardui and she says it helped her into a new life. Health to Miss Snyder is worth a great deal. She is an attractive young woman with intellectual attainments and she occupies the position of Treasurer of the Brooklyn East End Art Club. This position marks her as a person of intellect, culture and refinement and it speaks highly of the respect and trust her fellow women have in her. She writes:

"If women would pay more attention

to their health we would have more happy wives, mothers and daughters, and if they would use more intelligence in the matter of medicines, observing results, they would find that the doctors' prescriptions do not perform the many cures they are given credit for."

"In consulting with my druggist he advised McEhee's Wine of Cardui and Thedford's Black-Draught, and so I took it. I have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

You may secure the same relief as Miss Snyder, if you take Wine of Cardui as she took it. Thedford's Black-Draught is the companion medicine of Wine of Cardui and it is a liver and bowel regulator which assists greatly in effecting a cure. If you take these medicines according to directions, the relief and cure is simple. Some cases are cured quickly and others take longer because the disease has run longer. Remember how Miss Snyder took Wine of Cardui and has health. The same medicines are offered you to-day.

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.

Confederate Bazaar at Richmond.

April 15 to May 1.

All over the South we have placed monuments to our private soldiers and sailors and their great commanders.

It now remains for the Capital of the Confederacy to crown the whole by raising one to our first, our last, our only President, the head of our civil government—a government as wonderful as it was brief.

We owe this duty to ourselves and to our children, that they may realize what a sublime record was made for them in history. The whole South united in this loving tribute to the men who died to uphold that government, and to those who with no less devotion, steered the ship of State. What have you done to help us? What will you do to complete the work? We ask both your influence and your sympathy, that we may build a monument worthy of our people and their deathless past.

This movement is endorsed by the United Confederate Veterans and the Daughters of the Confederacy.

MRS. N. V. RANDOLPH, President.
MRS. JOSEPH BRYAN, Sec. & Treas.
MRS. STEPHEN PUTNEY, Committee.

All parcels of not over twenty-five pounds, addressed to Mrs. Stephen Putney, President Confederate Bazaar, Richmond, Va., will be delivered free by the express companies.
